# BIONIC NECK SUPPORT (BNS)

Troy has always been a big believer in neck protection, and is excited to offer the Troy Lee Designs Signature Bionic Neck Support. We really enjoyed working with Alpinestars, a company we have always respected. The Troy Lee Designs Signature BNS is a technologically advanced neck support, developed and tested in all types of extreme riding conditions with the goal of providing the very best in performance and comfort.

Available in two models: the BNS Tech, constructed from light weight carbon polymer, and the BNS Pro, constructed from a durable composite material. Both models are available in two size ranges: X-Small thru Medium, and Large thru X-Large. In just a few minutes, the BNS can easily change sizes by utilizing the supplied sizing adapters and allen wrench.
